# welcome back

We have enjoyed a wonderful Back to School: **All Are Welcome** Week focusing on reconnecting, building school-wide, grade, and class community, aligning school-wide expectations and routines, and establishing excitement for the school year.

This morning, we gathered in the gym for an end of the week Celebration Assembly where students were surprised by some special guest visitors, enjoyed highlights from the week, and sang a Positive Affirmation song as a school. Throughout the week, students rotated through 8 stations learning a school wide song, exploring a Story Walk, creating a personalized handprint for our All Our Welcome Tree Mural, designing a Flag representing students' home culture, learning about the Brain and Emotion connections, solving Conflict using "Talk/Walk/Squawk" Approach, reviewing Playground Rules and Expectations and having FUN!

Thank you to our fabulous PAC for providing all students with a slice of Pizza and Juice Box for lunch today!

We are full school with nearly 600 students attending. Classes are now set. Your child was told who their teacher will be for the year and the afternoon with their class and their buddy class completed a fun \*\*activity together. Teachers will be emailing families to introduce themselves and share about their class.

Fridays will be "show your love" for Promontory by wearing either the school colours of Purple/Black or Promontory Gear Spirit Wear. Order information for Promontory Gear is expected to be out soon, please stay tuned.

We are looking forward to fantastic school year together!

## Promontory Parking Lot Drop Off / Pick Up Procedures

### Accessible Parking Spots

There are 2 marked areas for families with disabilities.  
Please DO NOT block the stalls.

### Staff Parking

Unfortunately, due to the size of our school, there are not enough parking stalls for staff. Staff require all parking stalls, and some will double angle park. The school has a record system of all staff vehicles for quick contact to have staff move their vehicle when it is blocked by another.
