

### Principal Message

The arrival of November has brought much colder and wet weather. With the first 2 months of the school year now well underway, students have nicely settled into the routines and expectations of school. Staff will continue to provide timely academic, social responsibility and work habit instruction.

The past few weeks have brought many moments for students to celebrate and feel proud about. Last week, our Kindergarten classes, choir, and Mrs. Peterson's class presented at our school's Remembrance Day Assembly. We were also fortunate to have Cpl. Kirt Douglas, from the Canadian Armed Force, speak about the significance of Remembrance Day.

The School Choir had the memorable opportunity to perform with Juno Winning musician Norman Foote at the Chilliwack Cultural Centre in his show "Howl Masquerade". Students on our Soccer Teams persevered in the inclement fall weather, including rain, and came together as a team to represent Promontory well. Well done!

On October 31st, we also enjoyed students and family's creativity with the Storybook Pumpkin challenge and costumes. There were many incredible Pumpkin Creations showcased based on a beloved story book character and many impressive costumes -our community has many talented individuals. Be sure to check out some of the photos on the last page!

As classes wind up Term 1 and prepare for the holiday season, the school will be filled with many merry, jolly and happy festivities for students to enjoy.

~ Ms. Kass

### Lost and Found

The Lost and Found is over flowing. Please visit the Lost and Found collection located at the door across from Mrs. Peterson and Mrs. Wouda's portable classrooms to claim items that belong to your child. Families are encouraged to label belongings with your child's name.

### Volunteering

In order for parents to be able to take on volunteer roles in our school (ie. helping in classrooms, joining the hot lunch team, Popcorn Tuesday, going on field trips, etc.), a Criminal Record Check must be completed. Forms can be picked up from the office.

Please know that every volunteer that helps at Promontory is expected to respect the privacy and confidentiality of each student and family. Just as school staff are committed to maintaining your family's right to privacy and confidentiality, the same commitment is expected from all volunteers. From time to time, volunteers and guests may observe a child having a challenging moment at school- it is expected that this information is not shared with anyone, other than with school staff. Should you be made aware of an incident or a concern regarding your child, you will be contacted by a staff member.

Students require a pair of indoor running shoes to wear both in class, including gym, as well as ensuring footwear is worn in case there is emergency that requires students to leave their class.

With recent arrival of wet and cold fall weather, wearing indoor shoes will help keep student's feet dry and comfortable.

# Dress for the weather

We are all outside at least twice each day (for recess and lunch play periods). Please help ensure that your child stays warm and dry by dressing for the weather.

Some key items:

- Warm (waterproof) jacket
- Warm (waterproof) footwear/boots
- Hat/toque
- Mittens/gloves

Students are reminded to play and move with care, especially during the wet weather, to help prevent muddy and/or wet clothes. Please consider sending an extra pair of pant/shorts and socks for your child to have in their backpack, in case they need to change into dry clothes.

Families are encouraged to label their child's clothing with their name for quick identification if it is misplaced or lost and to send a change of clothes just in case it is needed.
