June 2025

Principal's Message

With the arrival of June, we find ourselves in the final stretch of the school year—just 19 school days remain! This is a wonderful time to **"close out the year with heart, purpose, and pride"** and make the most of every opportunity ahead. Students are encouraged to give the very best right up to the final bell of school year!

June is a vibrant and exciting month at our school. Classrooms are buzzing with the completion of engaging learning units, end-of-year assessments, field trips that explore our beautiful neighborhood and community, and culminating activities that highlight the incredible growth students have made this year.

To our students: **let's finish the year with pride.** Bring your best effort each day, enjoy these final weeks, and celebrate everything you've learned and accomplished.

Last Friday, our dedicated staff came together to review student progress and celebrate the many successes from this school year. We were also incredibly grateful to be recognized and appreciated by our parent community. **On behalf of the entire staff, thank you** to our mighty PAC for spoiling us with a tasty lunch on Friday and for your ongoing support, generosity, and partnership. It truly means the world to us.

Let's make these final weeks meaningful and memorable!

~Ms. Kase

Front Parking Lot

As we work together to keep our school a safe and welcoming place for all, I'd like to take a moment to remind everyone about a few important parking and traffic guidelines.

Please remember to **park only in designated areas** and keep the **drive-through lane completely clear**, especially near **walkways and entrances**, including respecting the no parking zones as indicated by posted sign or cones.

The drive-through lane is intended strictly for moving traffic – **not for stopping, dropping off, or picking up passengers.**

This ensures that traffic flows smoothly and, most importantly, that our students remain safe during arrival and dismissal times.

Reminder to walk using the sidewalks and not crossing through the parking lot.

We kindly ask for your partnership in following these procedures. Your cooperation makes a significant difference in maintaining a safe and efficient environment for our school community. It also models for students proper parking lot and road safety practices and procedures.

Volunteer Tea

On Monday, our staff had the pleasure of celebrating the incredible contributions of our dedicated volunteers at our Volunteer Appreciation Tea. It was a heartfelt opportunity to express our sincere gratitude to all those who have generously given their time, energy, and care to support our school community throughout the year.

Your support makes a meaningful difference in the lives of our students and staff. Whether helping in classrooms, organizing events, or lending a hand behind the scenes, your efforts truly matter—and they do not go unnoticed.

From all of us at Promontory Elementary, **Thank You** for being such an important part of our school family. We are deeply grateful for your partnership and unwavering commitment

Moving?

If your family is planning to move out of the school catchment area before September, we kindly ask that you notify the school office as soon as possible.

As many of you know, our school is currently operating at full capacity. Accurate enrolment numbers are essential for planning class placements and staffing for the upcoming school year. While students will remain enrolled at our school until they are officially registered and accepted at a new school, early notice of any potential changes greatly helps both our school and the district prepare effectively. We appreciate your support and partnership as we plan for a successful year ahead.
