PRINCIPALS MESSAGE

What a Year It's Been!

June truly swept by in a blink – and what a remarkable year of learning, growing, and connecting it's been!

As we wrap up the school year, we are filled with pride watching how far our students have come. They've grown not only in their academic skills, but also in confidence, creativity, and resilience. There's so much for them – and all of us – to celebrate.

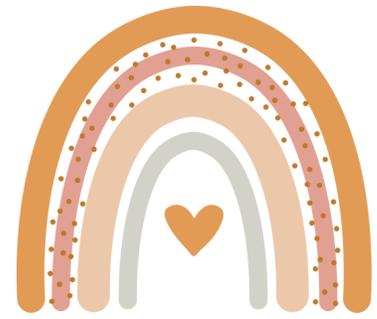

Take a moment with your child to discuss their Term 3 report. Celebrate the milestones they've reached, the hard work they've put in, and the goals they've achieved. Together, set a fresh goal for the road ahead – learning is a lifelong adventure!

To our incredible students: You've accomplished so much this year. From new friendships to new understandings, from stretching your thinking to finding your voice – we've loved every moment of being part of your journey. You are ready to take on the next chapter with courage and curiosity.

We wish you a joyful summer filled with laughter, discovery, and memories made under the sun. Rest well, play lots, and come back ready for another exciting year in September. Until then – thank you for a wonderful school year!

~ Ms. Kass

FUN DAY - GR. 1-4

A huge thanks to Mrs. Bohnert for planning and organizing our Grades 1-4 students through several races and team activities. Thank you to the many parent volunteers who were able to run the stations – the day would not have been as successful as it was without your help!

Classes had the opportunity to participate in a variety of fun games led by student leaders from Stitos! Students enjoyed a fun morning and afternoon of laughing, cheering, and memory making as they completed all the different challenges.

THANK
YOU
SO MUCH

GRADE 5 FAREWELLS

On Wednesday, we recognized and celebrated our Grade 5's at a special assembly. It has been a pleasure teaching you and observing how much you've grown – not just academically, but in confidence, leadership, and the way you support others.

We are very thankful to have gotten to know each of you and appreciate all of your contributions to the school from volunteering, lending a hand when needed, or setting a positive example for younger students. You have helped shape the tone of our school in meaningful ways.

As you move onto Middle School, we are excited for what's ahead for you. You are ready! And while you may be moving on, we look forward to you returning to say hello and for a visit – you'll always be part of the Promontory Heights Elementary School community.

STAFF FAREWELLS

With mixed emotions, we are saying good-bye to staff members.

Two longtime and well-loved staff members are retiring:

Mrs. Bannerman has taught at Promontory for 17 years and has been teaching for 35 years.

Mr. Ingham has taught at Promontory for 24 years and has been teaching for 31 years.

Your dedication to teaching and students has touched so many lives and has had a lifelong impact. The school will feel different without you with us each day. We are grateful for the wisdom, care, and inspiration you have shared with generations of students and families. You will be missed.
